Dear Kavali Sairam,

We trust that your experience for resetting your LAN password was pleasant. Your new password reseted is attached with this mail.

**Instruction for Opening the Password PDF File:**

The PIN to open the PDF file is 6 Digit numeric number which is combination of the your Date of Birth in format Month and Year (MMYYYY).

Follow the example mentioned below

DOB - MMYYYY	Example of 6 Digit PIN
November 1978	111978
January 1983	011983
February 2000	022000
October 2005	102005

**Please Note:**

For security reason TIM would recommend to change the password at the first logon

Steps to change password :

**Outside TechM LAN and Client Network**

<https://account.activedirectory.windowsazure.com/ChangePassword.aspx>

Additionally we request you to Register yourself to <https://aka.ms/ssprsetup> for resetting your Login password in case if you have forgotten your password. Once you have registered, you can visit <https://passwordreset.microsoftonline.com/> to reset your password.

Kindly ensure that Multi-Factor Authentication is in place for all your accounts while accessing apps like Twingo, Timesheet etc ... as it adds more security to your TechMahindra Login Credentials.

**On TechM LAN**

Log in to your Machine using the newly received password and Press ATL+CTRL+DEL on your Keyboard and click on Change password Option.

**ATT users to note password once reset would not be able to change for next 30 Days.**
